Title V Monitoring Report for the Period: February 1 to July 31, 2015

Reference:

Graphic Packaging International Santa Clara Paper Mill, Plant AO732 (#19441)  
2600 De La Cruz Blvd., Santa Clara, California

Dear Director:

This Title V Monitoring Report is submitted as required to comply with the reporting requirements in District Regulation 2-6-502 and the facility Title V permit condition I-F. The attached *Compliance Certification Report* lists the primary sources at the facility, the corresponding major applicable requirements, and Graphic Packaging International's performance against these monitoring requirements for the referenced period. During this period, Graphic Packaging International has complied with all applicable requirements for the gas turbine, duct burner, standby boiler, cold cleaners, diesel fire pump, and recycle paper machine processes. We have also appended monthly CEMS NO<sub>x</sub> Reports. If you have any additional questions regarding this report or any events during this period, please call Rick Horne at (408) 496-5080.
